194,316 Opt-in E-mail addresses 115/M
170,224 Mailing addresses only 95/M

DESCRIPTION:

WhisperFromWallStreet.com is the #1 rated Penny Stock Newsletter in the U.S. A great opportunity to reach educated and technical savvy investors and traders who like to get in on the latest Penny Stock opportunity.

These experienced investors are dedicated to aggressively pursuing any and all solid investment opportunities, and rely on valuable information provided in the newsletter and its valuable links to build their wealth. These upscale investors are eager for the next big opportunity and are ready to execute their own trades, mostly online. Most use the internet and subscribe to a trading platform and have experience in technical analysis.

The marquee buzz on this web site is from "Today's WatchList" which offers stock advice and inside tips and information on up and coming OTC and Penny Stocks. The web site boast links Quotes and Research, OTC News and Trading tips. This newsletter has proven extremely valuable to subscribers who manage their own portfolios and rely on valuable trading tips, and unique insight to the most up to date information available.

These E-mail addresses are subscribers who are 100% verified opt-in and have consented to receive 3rd party offers.

This prime audience has proven to be responsive to many offers for Investments, Financial offers and publications, Consumer and Business products, Computer/Software, Online subscriptions, Credit Card offers, Upscale/Luxury products and much more.

All e-mail addresses are 100% Opt-in. These opt-in subscribers have consented to receive third party offers. All data is run through a 14 point spam filter program to ensure the highest deliverability, with a 95% guarantee.

Included with every E-Mail transmission: E-Mail message, testing, programming of hot link, various click through tracking reports, campaign summary report. Each marketing message includes a clear unsubscribe option.
